ORANGE BLOSSOM CITRUS GINGER

A NATURAL LIQUEUR
BASED ON **CITRUS,**
O R A N G E
BLOSSOMS AND THE
SPICINESS OF **GINGER.**

Evelien Gerlo started Gingerlo from her portfolio as a graphic designer in 2019. What started as a corporate identity for a beverage brand, soon turned into reality. She brings you a natural liqueur based on three different citrus varieties, orange blossoms and the spiciness of ginger. This golden drink has different possibilities and has already stole the heart of many.
